

# The College Resource Center

This year, UAS opened up a College Resource Center. It is located on the 4th floor, room 411. We have assembled a variety of college view books and information. We have computers with internet so that students may do some of their own research. We have five categories of college institutions; Those from the United

States, Canada, England, Australia and the Middle East.

Enas Ibrahim heads up this center. She is very knowledgeable about the Ministry of Education and the Kuwait Scholarship. She has a plethora of knowledge and expertise.

The center is open before and after school as well as during lunch. Students will also find updates of college fairs, college visitations and

reminders about the SAT and TOEFL.

We encourage all juniors and seniors to check out our new center. It is comfortable, nicely decorated and inspirational. It has plenty to offer for those who are serious about colleges all over the world!!!

"By not trying too hard, we avoid learning what our true potential is, and having to fulfill it. Doing our best can be deeply threatening. It forces us to consider what we're actually capable of accomplishing. Once we learn the lesson we can't unlearn it. Our true potential becomes a shining light we can follow..." *Farson and Keyes Whoever Makes the Most Mistakes Wins.*

This is a **required test for all sophomore and junior students** at UAS and the fee is 8 KD. This test is a good indicator of how much your student knows in math and reading comprehension as well as writing. Study guides will be handed out on the day of registration. If you have questions or concerns, please do not hesitate to contact Ms. Bea on the 4th floor of the high school. **There is NO ALTERNATIVE date for this test if a student is sick.** It is our hope that everyone will be there and do well.
